### IMPORTANT ACCOUNT INFORMATION:

**As a valuable customer, your monthly service fee for this Business Choice Checking account will be waived beginning November 9, 2020 for twelve consecutive fee periods.** If you have converted or choose to convert this Business Choice Checking account to another checking account type at any time, this waiver will not be applied to that account. The terms of that new account, including the applicable monthly service fee and options to avoid the fee, will immediately apply.

Thank you for being a valuable customer. If you have any questions about this change, please contact your local banker or call the number listed on your statement. Please note the Business Account Fee and Information Schedule and the Deposit Account Agreement, as amended, continue to apply.

#### **IMPORTANT ACCOUNT INFORMATION:**

**Your Wells Fargo Business Choice Checking account is changing.**

**Effective with the fee period beginning after October 8, 2020,** the current options to avoid the \$14 monthly service fee, as displayed in the monthly service fee summary section of this statement above, will no longer be available. Once these changes are effective, the monthly service fee can be avoided with ONE of the following new options each fee period:

- Maintain a \$500 minimum daily balance
- Maintain a \$1,000 average ledger balance

If you do not meet one of the options above, the monthly service fee will be charged for fee periods ending on or after November 9, 2020.

**In addition, effective with the fee period beginning after October 8, 2020,** other features of your account will change:

- Your account will continue to include 200 Transactions at no charge each fee period. The fee for Transactions over 200 each fee period remains at \$0.50 each.
- The definition of Transactions is changing to include all checks deposited and all withdrawals or debits posted to your account, including paper and electronic, except debit card purchases and debit card payments.

**Fee Period:** The fee period is the period used to calculate monthly fees. Your statement includes a monthly service fee summary with the dates of the fee period. The monthly service fee summary is also available through Wells Fargo Business Online® or Wells Fargo Mobile®.

#### **What remains the same:**

- You can continue to use your debit card.
- The Business Fee and Information Schedule and Deposit Account Agreement, as amended, continue to apply.

If you have questions about these changes, please contact your local banker or call the number listed on this statement.

Thank you for banking with Wells Fargo. We appreciate your business.

## **IMPORTANT ACCOUNT INFORMATION**

Effective June 1, 2020, the Deposit Account Agreement has been updated.

In the section of the Deposit Account Agreement titled "Available balance, posting order, and overdrafts," the second bullet of the paragraph titled "Then, we sort your transactions into categories before we process them" under the subsection titled "How do we process (post) transactions to your account?" is deleted and replaced with the following: "Then, we process withdrawals/payments we have previously authorized and cannot return unpaid, such as debit card purchases, ATM withdrawals, account transfers, Online Bill Pay transactions, and teller-cashed checks. If we receive more than one of these transactions for payment from your account, we will

---

generally sort and pay them based on the date and time you conducted the transactions. For a debit card transaction, if a merchant does not seek authorization from the Bank at the time of the transaction or you conducted the transaction more than 10 business days before we receive it for payment, we will use the date the transaction is received for payment from your account. For some transactions, such as Online Bill Pay transactions or teller-cashed checks, the time may be assigned by our systems and may vary from the time it was conducted. Multiple transactions that have the same time will be sorted and paid from lowest to highest dollar amount."

For questions, please call the number listed on your statement.

#### IMPORTANT ACCOUNT INFORMATION

**Regulation D and Wells Fargo withdrawal and transfer restrictions on all savings accounts have been discontinued.**

The Federal Reserve Board recently removed Regulation D's six transaction limit on certain withdrawals and transfers from savings accounts, and allowed banks to suspend enforcement of that limit at each bank's discretion. Your Deposit Account Agreement states that both Regulation D and Wells Fargo limit certain types of withdrawals and transfers from a savings account to a combined total of six per monthly fee period. This message is to advise you that these limits were removed in May 2020. We have also discontinued charging the related excess activity fees, and have ceased account conversions and account closures related to the six withdrawal or transfer limit.

While it will take a period of time to update our disclosures and other materials, the changes described above apply to your account immediately and allow you to make withdrawals and transfers, including online and mobile, from your savings account without regard to the previous limit of six transactions. If you have any questions about your account, please call the phone number at the top of your statement or visit your Wells Fargo branch.
